Consider the Possibilities

Perched on the high side of the street, on an expansive 929.5m², this lovingly maintained home is ideally suited to a young family upgrading from strata who are looking for more living space and a level yard. This property might also suit those looking to build a large family home or possibly duplex S.T.C.A

The property features:

- Three good size bedrooms
- Two separate living areas; lounge and family
- Original kitchen with adjacent casual dining
- Original main bathroom with separate w/c
- Large level sun filled backyard plus rear garden

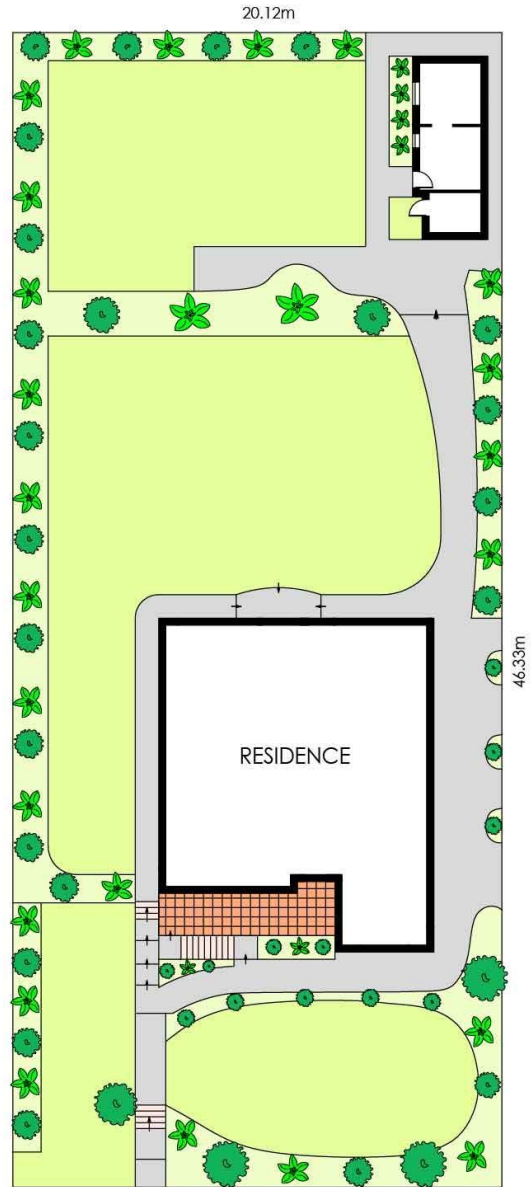

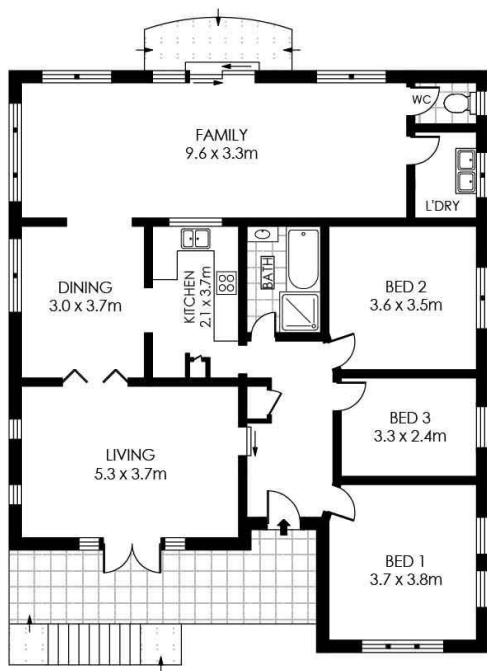

An opportunity like this is often sought and rarely found! Quiet living, yet conveniently located in close proximity (500m) to Loftus Train Station, parks, schools and cafes!
